## Good Neighbor Citizenship Company Grant Awarded to El Paso Police Department Safe Communities by State Farm

The El Paso Police Department would like to express gratitude to State Farm for awarding a \$30,000 grant to the El Paso Police Department Safe Communities Program. The grant will provide funding for a variety of traffic safety initiatives including:

- Alcohol and Drug-Impaired Driving Prevention
- Distracted Driving
- Speeding
- Underage Drinking
- Bicycle Safety
- Pedestrian Safety
- Seatbelt Safety
- Community Education
- Community Presentations

Safe Communities would not be able to achieve everything it does in the community without the generous support of corporate sponsors like State Farm. The Good Neighbor Citizenship Company Grant program is a strong collaboration and commitment between State Farm and the El Paso Police Department that aims to raise traffic safety awareness by providing the El Paso community with education and awareness designed to decrease the number of motor vehicle crashes, injuries, traffic fatalities, and other auto and road-related offenses. We are excited and grateful to continue with this community partnership!

The El Paso Police Department Safe Communities has been awarded the State Farm Good Neighborhood Citizenship Company Grant since 2019.
